

East Bound And Down

Well I'm east bound and down loaded up and trucking
We're gonna do what they say can't be done
We've got a long way to go and a short time to get there
I'm east bound just watch old Bandit run

Keep your foot hard on the pedal son never mind them breaks
Let it all hang out cause we got a run to make
The boys are thirsty in Atlanta and there's beer in Texarcana
And we'll bring it back no mater what it takes

East bound and down loaded up and trucking
We're gonna do what they say can't be done
We've got a long way to go and a short time to get there
I'm east bound just watch old Bandit run

East bound and down loaded up and trucking
We're gonna do what they say can't be done
We've got a long way to go and a short time to get there
I'm east bound just watch old Bandit run

Old smokey got them ears on and he's hot on your trail
He ain't gonna rest 'till you're in jail
So you got to dogde him you got to duck him you got to keep that diesel trucking
Just put that hammer down and give it hell

Well I'm east bound and down loaded up and trucking
We're gonna do what they say can't be done
We've got a long way to go and a short time to get there
I'm east bound just watch old Bandit run
