

My Sweet Suzie

Sweet Suzie why do you hurt me so
Sweet Suzie I beg you please don't go
The way you make me blue - the way you make me feel
My sweet little Suzie - on her way to Italy

My sweetheart - don't treat me so cruel
Without your love - ain't gonna make it through
The way you make me blue - the way you make me feel
My sweet little Suzie - on her way to Italy

Suzie hear me crying Suzie hear my call
I tell you pretty baby I'll be waiting for you
Suzie hear me crying Suzie hear my call
I tell you pretty baby I'll be waiting for you

My sweetheart - don't treat me so cruel
Without your love - ain't gonna make it through
The way you make me blue - the way you make me feel
My sweet little Suzie - on her way to Italy

Suzie hear me crying Suzie hear my call
I tell you pretty baby I'll be waiting for you
Suzie hear me crying Suzie hear my call
I tell you pretty baby I'll be waiting for you
